Dear AGA Chicago Chapter Members,

I would like to thank all of you for attending our most recent monthly luncheon. I would also like to thank Edward Carter for taking the time to speak during the meeting. Mr. Carter brought a wealth of knowledge and experience in financial crimes when he presented at our luncheon. The recent cases prosecuted by the Illinois Attorney General's Office, including the ATM card-reader scam, were particularly interesting and sparked great conversation. Thank you Mr. Carter for your time and effort!

Our next meeting will be held on Tuesday, January 18, 2011 at 77 W. Jackson Boulevard, GSA Conference Room 328. The speaker will be Brad Bobb who will be discussing Federal benefits and how they relate to retirement planning.

We had a great response to our Chicago Marines Toys for Tots drive. We collected more than 40 toys which were delivered to the United States Government Marine Corps at 3034 West Foster Avenue on December 21, 2010. Our community service chair did a great job in setting-up and executing the event!

Finally, we have open positions on our executive committee and are always looking for members to get more involved. Please contact Tom McManigal, President-Elect at tmcmanigal@hudoig.gov if you are interested in volunteering.

Sincerely,

Tom McManigal

Tom McManigal
President-Elect

Audio Conference

One Year Later: Are We Winning the Improper Payments Battle? Jan. 19 Audio Conference, 2 - 3:50 p.m. EST

AGA, in conjunction with the National Association of State Auditors, Comptrollers and Treasurers (NASACT) and the Association of Local Government Auditors (ALGA), is pleased to announce a new and significant audio conference addressing the president's Executive Order dealing with improper payments.

A year ago, AGA held a national audio conference that addressed the then-new Executive Order, "Reducing Improper Payments and Eliminating Waste in Federal Programs." Improper payments were estimated to be \$110 billion for fiscal year 2009. At the time, the director of the Office of Management and Budget stated, "These errors and mistakes are unacceptable. Taxpayers deserve to know their dollars are being spent wisely and effectively."

Where do we stand one year later? As the president called for, is the "right recipient receiving the right payment for the right reason at the right time"?

On Jan. 19, panelists will provide their candid perspectives on where we stand today. They will share what has worked well, the challenges, and practical solutions to winning the improper payments battle. Given the state of the economy, the battle is very important to all taxpayers.

Speakers are **Jeanette M. Franzel, CGFM, CPA**, managing director, Financial Management and Assurance, U.S. Government Accountability Office; AGA Past National President **Jeffrey C. Steinhoff, CGFM, CPA**, executive director, KPMG Government Institute and a managing director at KPMG LLP, white paper author of "A Practical Look at Winning the Fight Against Improper Payments"; **George D. Strudgeon, CPA**, audit director, Human Services Management Specialty Team, Auditor of Public Accounts, Commonwealth of Virginia; and **Daniel I. Werfel**, controller, Office of Federal Financial Management, Office of Management and Budget, who is leading the administration's fight against improper payments.

Please join us for two hours of lively discussion about this important and timely topic. In addition to the speakers' commentary, about 20 minutes will be set aside for questions.

Date: Wednesday, Jan. 19, 2011

Time: 2 - 3:50 p.m. Eastern Standard Time

Learning Objectives: To learn how our government is progressing on the Presidential Executive Order on reducing improper payments and eliminating waste

Prerequisite: Some awareness of the issue of improper payment

Advance Prep: None required

CPE: Two credits

Field of Study: Management Advisory Services

Cost: \$249 per site (UNLIMITED ATTENDANCE) if you register on or before Friday, **Jan. 14, 2011** and \$299 thereafter. **SPECIAL PROMOTION:** Government agencies and CPAG members who register five or more office will receive a 20 percent discount (\$200 per site).

To Register: 1) [Register online](#) 2) [Print the registration form](#) or the [Special Promotion Registration](#) and fax it to 703.684.6933

This audio conference offers important information to almost everyone in the accountability profession. Please share this program announcement with others in your government, chapters, educational institutions and private firms. Remember, there is no limit to attendance per phone site. If you have any questions regarding registration, please contact [Maria Lucas](#) at 800.AGA.7211 ext. 308. Questions regarding the program should be directed to [Raymond Harris](#) at 518.280.6317.

CGFM Corner

The Mark of Excellence in Government Financial Management

CGFM Exams

Interested in the CGFM certification? Sign up for AGA's special [Intensive Review Course](#) and take the CGFM Examinations after the NLC. Don't miss this opportunity to earn your CGFM.

The Intensive Review Course will take place from 8:30 a.m. – 5:30 p.m. on Monday, Feb. 21, and Tuesday, Feb. 22, 2011. The CGFM Examinations will be offered by appointment only on Feb. 23-24.

The cost of the course is only \$279 for qualified participants, and it offers 18 CPE hours.

Special Bonus: The CGFM Examinations are offered at no cost to course attendees. The cost of this course is not included in the NLC registration fee.

BEFORE YOU REGISTER, PLEASE READ:

- ***What is the Intensive Review Course?*** It is a special limited enrollment opportunity for those individuals who have already been studying for the CGFM Examinations and want extra reinforcement of the material. It is a way to save money on the examination fees (and get the course with it!). It is a review of the main topics covered in the examinations. It is an opportunity to add the value of the instructor who can explain concepts, provide examples and answer questions for those who chose the self-study option. It is a refresher course for those who took the AGA instructor-led courses a long time ago. It is a great way to set a deadline for completing your certification examinations and get it done!
- ***What it is NOT:*** It is **not** a shortcut. The Intensive Review Course is **not** a substitute for the three AGA [instructor-led training courses](#). It is usually **not** enough by itself to prepare for the CGFM Examinations – advance preparation is strongly recommended (see [How do I prepare?](#) for more information). It is **not** an exam prep course with strategies on how to pass the exams.

Registration

To participate in this event, individuals must:

1. Apply for the CGFM Program (submitting CGFM application form, fee and college transcript – see Eligibility section below).
2. Pre-register for this event by submitting the [Intensive Review Course Registration Form](#) and appropriate fee. **Walk-ins will not be accepted.**

The complete application for the CGFM Program must be submitted BEFORE or TOGETHER with the Intensive Review Course Registration Form. Registrations for this event will not be confirmed until after the CGFM application is accepted.

Cancellations must be received by January 24, 2011; refunds will not be granted after this date.

Deadline: Registrations will be accepted on a first come, first-served basis. Space is limited, so we encourage you to sign up early. Registrations will not be accepted after **February 9, 2011**.

Location

The Intensive Review Course and the CGFM Examinations will be held in Alexandria, VA near King Street Metro. The exact address will be provided to all registered attendees.

The facilities for this event are provided by Grant Thornton LLP.

Eligibility

To attend the Intensive Review Course and/or take the CGFM Examinations participants must first apply and be accepted into the CGFM Program. Candidates need to submit the CGFM Program application form with \$85 application fee and a copy of a transcript from an accredited college or university.

The transcript must show that a degree (bachelor's or higher) was awarded and list at least 24 credit hours of courses in financial management or related topics. Applicant's name and the name of the college or university must appear on all transcripts. Please see www.agacgfm.org/cgfm/start/ for more information.

In addition, those individuals who want to complete their CGFM at this event need to submit a [Work Verification Form](#) listing at least two years of professional-level government financial management experience.

Prior attendance of CGFM training course(s) or purchase of the CGFM Study Guides is not required, but is strongly encouraged.

If you have already taken a CGFM Examination and did not pass, you must satisfy the waiting period before taking that CGFM Examination at this event.

Materials

No materials will be provided at the Intensive Review Course. However, participants are encouraged to order CGFM Study Guides at least six weeks before the course date. For more information on study guides visit www.agacgfm.org/cgfm/prepare/studyguide.aspx.

The cost of the study guides is not included in the price of the Intensive Review Course.

Examination Information

Three time slots are available for the CGFM Examinations on Feb. 23–24, 2011:

- 8:30 – 11:30 a.m.
- Noon – 3 p.m.
- 3:30 – 6:30 p.m.

The actual exam time is limited to 2 hours and 15 minutes.

Space is limited, so participants are encouraged to send in the registration form indicating their preference for an examination date and time as soon as possible. Some of the time slots may fill up and no longer be available. We will confirm your registration and indicate whether we are able to accommodate your request for the particular examination time slot(s).

Individuals who want to take the CGFM Examinations without attending the review course can do so by following the same registration procedures. The fee for taking the three CGFM Examinations is the same as the Intensive Review Course fee—see [Intensive Review Course Registration Form](#) for more details.

The CGFM Examinations are:

- Examination 1—*Governmental Environment*
- Examination 2— *Governmental Accounting, Financial Reporting and Budgeting*
- Examination 3—*Governmental Financial Management and Control*

More detailed information on CGFM Examinations content can be found on www.agacgfm.org/cgfm/exams/.

The examination results will be available immediately.

Happy New Year! I hope that you and your families had a wonderful holiday season and you're ready for another great year with AGA. We have lots of amazing things in store for our members and stakeholders in 2011. Before we look forward, however, I wanted to fill you in on a few things that happened late in 2010.

In December, AGA hosted the annual Associations Summit meeting, which brings together the top leadership from AGA, the Institute of Internal Auditors (IIA), the American Institute of Certified Public Accountants (AICPA), the Institute of Management Accountants (IMA), the Financial Executives Institute (FEI) and the American Accounting Association (AAA) to share information and build partnerships and trust. Each organization gave updates in the areas of membership, certification and emerging leaders. Other areas discussed included governance and the selection and training of new association leaders. AGA's reporting model, the Citizen-Centric Report, was also discussed and received kudos from everyone at the meeting as a means to convey meaningful information about government to citizens.
